We will have the meeting at El Jardin Mexican Restaurant in Commerce City. **All employees are mandatory.** Please see Megan if you need directions or have questions. Anyone who missed the last safety meeting will need to make it up by November 15th.

Do you have safety treads?

Please make sure you have a pair of safety treads and you are using them when it is snowy and icy. We have already had an employee injured from falling on the ice. The employee was not wearing safety treads. If you need safety treads, please see Megan!
